

# Societies at Churston Golf Club / Torbay's Finest Course

We host many society days throughout the year and we have become very good at them. Our course is always in excellent condition and our friendly staff are always at hand to ensure you have everything you need for your day. Our clubhouse is warm and welcoming with a wonderful catering division that can provide for all cuisine needs. Our Pro's can advise on all course prize requirements and we have a fleet of buggies if needed. Please see all our options below.
