CHURSTON CLUBHOUSE DRESS CODE

We at Churston are proud of our Golf Course and facilities.

Members and visitors are requested to adopt a Smart Casual Dress in the Clubhouse. Smart jeans and trainers are permitted.

At Prize Presentations, Jacket and Tie is the preferred dress for men.

On Friday evenings, between 5pm - 7pm, a more relaxed approach to dress will be adopted in the Spike Bar.

In the Clubhouse the following types of clothing are not permitted:

Torn or frayed jeans, shell suits or track suits, hats or caps, beachwear

All Members and visitors are requested to abide by these relaxed and modern standards. The code is self-policing but when necessary Staff and Directors of this Golf Club will ensure compliance.

CHURSTON COURSE DRESS CODE

SPORTS SHIRTS

All golf shirts/tops must have sleeves and/or collars

Football shirts, rugby shirts and T-shirts are not permitted

TROUSERS

Trousers (not $\frac{3}{4}$ length for men) must be tailored and suitable for golf

Blue denim jeans, paramilitary or camouflage style trousers and tracksuit bottoms are not permitted

SHORTS

Shorts must be tailored and suitable for golf, preferably worn to knee length

HEADGEAR

All recognised golf headwear, worn in the proper manner, is acceptable

SHOES

Players must wear recognised golf shoes with well maintained spikes or dimples

This dress code applies to ALL golfers
as well as caddies and any visitors accompanying golfers.

*“The Director of Golf and his staff have the full backing of the board
to ensure this dress code is adhered to”*

IMPORTANT NOTES

COMPETITIONS

Men's Competitions

Conditions of Entry

The Start Time Sheet for most Weekend Competitions will be operated through the Tee Time Booking System. Unless otherwise notified, the system will go live at 6.00pm at the Clubhouse 8 days prior to the Competition, when 80% of the flights will be available. The other 20% will become available on line, to be booked away from the Clubhouse at 7.00pm. Competition fees will be deducted from swipe cards unless an alternative arrangement has been specified.

Conditions of Play: -

Matchplay Competitions

Both players are responsible for arranging the match. Official matches can book a tee time more than 7 days in advance through the Manager's office. If agreement is not reached, the match must be played at noon on the last date published. Any player absent at that time will forfeit the match. If a tee reservation is in force at Noon on the last date - the match is to be played at the first opportunity following this but must be played on the last day. There will be no extension given in matchplay competitions.

Those members reaching two finals will be obliged to play both finals on Finals Day.

Strokeplay Competitions

Unless otherwise stated, all Single Strokeplay events will be played in threes.

All score cards, including 'No Returns' must be entered into the competition computer when nominated or placed in the box provided as soon as possible after completion of the round.

Ladies Competitions

The conditions for Ladies Competitions are as per EG rules. Any local conditions will be posted on the Ladies notice board.

GENERAL CONDITIONS

Non-Attendance & Late Withdrawal

Players withdrawing from a Weekend Competition at late notice or without notification may be charged the competition entrance fee. Players are encouraged to withdraw at the earliest opportunity to allow the automatic start sheet to proceed. Non-attendance without notification may result in a two competition week ban. Any player so barred will have the right to appeal in writing to the Chairman of the Competitions Committee.

Presentations

The timing and nature of all Prize Presentations are at the discretion of the Club Captain.

SPIRIT OF THE GAME

Unlike many sports, golf is played, in the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for the other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

SAFETY

Prior to playing a stroke or making a practice swing, all players MUST ensure that no-one is standing close by or in a position to be hit by the Club, the ball or any stones, pebbles, twigs or the like which may be moved by the stroke or swing.

Players should not play until the players in front are out of range.

Players should always alert greenstaff nearby or ahead when they are about to make a stroke that might endanger them.

If a player plays a ball in a direction where there is danger of hitting someone, he should immediately shout a warning. The traditional word of warning in such situations is "fore".

In the event of a ball being struck into or onto any adjoining property or public highway, the player responsible must report the details of such action to the **Club Manager** or Professional on completion of the round. Any player failing to report such action and who is subsequently determined to be responsible will be subject to disciplinary action by the Directors.

CONSIDERATION FOR OTHER PLAYERS

No one should move, talk, and stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke, especially in the area of the first tee.

Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found. They should not search for five minutes before doing so. When the play of a hole has been completed, players should immediately leave the putting green.

SLOW PLAY

Play at good pace and keep up. The Committee may establish pace of play guidelines that all players should follow. In the interests of all, players should play without delay.

It is the group's responsibility to keep up with the group in front not just in front of the group behind. If it loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group.

Serious cases of Slow Play should be reported to the **Club Manager** by letter and will result in offenders being interviewed by two Directors. If the complaint is upheld, disciplinary procedure may result.

In competitions players guilty of slow play will be restricted to a starting time at the end of the field for at least two events following the offence. Persistent slow players may be suspended from all competitions.

PRIORITY ON THE COURSE

All tee reservations must be strictly observed. All matches have equal standing on the first tee.

Unless otherwise determined by the Committee, priority on the course is determined by the pace of play. Any group playing a whole round is entitled to pass a group playing a shorter round. The term "group" means a single player.

If a match fails to keep its place on the course and loses more than one clear hole on the players in front, it should invite the match following to pass.

The Captain of the Club has priority on the tee and on the course.

STARTING ORDER

Players starting order will be determined by a tee time booking system. Please report to the pro shop before play.

CARE OF THE COURSE

Bunkers

Before leaving a bunker, a player should carefully rake over and smooth all holes and footprints made and replace the rake in the middle of the bunker.

Divots, Pitchmarks, Spikemarks

Players should ensure that any turf cut or displaced is replaced at once and pressed down. Pitchmarks on greens must be repaired immediately. Any damage caused by golf shoe spikes should be repaired on completion of the hole.

Damage to Greens

Players should not stand close to the hole when attending the flagstick, and should ensure it is properly replaced before leaving the green. Players should not damage the putting green by leaning on their putters, particularly when removing the ball from the hole.

Trolleys and Buggies

Only wide wheeled trolleys may be used and buggies may be used when the Board has approved the latter. Any restrictions on the use of trolleys and buggies must be strictly observed.

Practice Swings

Players should ensure that no damage is caused to the course in taking practice swings, particularly on the tees.

Divot Bags

Players should where possible use the divot bags and the sand provided to fill any divots made by themselves and other golfers. The course has benefited greatly from the introduction of this idea and the Committee would like to encourage their use.

COURSE MAINTENANCE

When routine work on the course is taking place, players should not play until it is safe to do so.

The Greenstaff have precedence when working on or beside a green.

When cutting a green, the flag will be removed and play to the hole must be discontinued until the flag is replaced. The flag will only be removed when no ball is on the putting surface.

If other than routine mowing is taking place on a green, the flag will be placed in a temporary hole. Play may continue but only to this position. The Greenstaff may mark the position of, and remove, any ball, which interferes with the work in progress.

DRESS

The Dress Code is to be decided upon by the Board of Directors and displayed on the main notice boards and in the Club Diary for all Members to see.

HANDICAP ALLOWANCE

Handicap or Difference	7/8	3/4	9/10	3/8	Handicap or Difference	7/8	3/4	9/10	3/8

36	32	27	32	14	72	63	54	65	27

Handicap allowances are not rules of golf. The allowance to be used is at the discretion of the committee who should stipulate that allowance in the conditions of the competition.

Strokes to be taken in accordance with the stroke index on the score card.
